EXPERIENCE

Vaishno Inc.

Assistant Manager

May 2013 – Present

Savannah, GA

- Managed day to day activities of gas station; retail, lottery, inventory, reporting and renovations
- Setting up/troubleshooting Gilbarco POS, camera system, CITGO rewards.

Fulfillment.com

Inventory Technician

July 2015 – August 2019

Savannah, GA

- Accounting of inventory; receiving, processing, recording, distributing supplies.
- Used the Deposco application for data entry and trained others.

COVID Info Page

- Website that shows a map and table of the local count of coronavirus cases in Georgia. Also includes links to recent news articles, notable health websites, and a section on safety protocols.
- Used HTML5up template which used bootstrap, JavaScript and Sass. I customized a large portion of the template to add my content.

Documentation of "Bal Sabha"

- Hand-coded project detailing the activities during a weekly bal-sabha(kids-assembly) at the temple I go to.
- Used flexbox to make the website responsive and experimenting with color schemes/animations.

Customer Survey Form

- Hand-coded project displaying a survey form for customers to answer at a gas station.
- Used different types of input types in the form. Used media queries to keep the website responsive.
- Javascript to send form to Formspree.
